

# MSA Society for Community Living

*"Supporting People – Enhancing Lives"*

**Dear Friends and Family of MSA Society,**

Can you believe it? 65 years ago, MSA Society for Community Living was founded in July of 1957 by six parents of children with disabilities, serving the communities of Matsqui, Sumas & Abbotsford (MSA).

Join us at 11:00am-1:00pm on Thursday, August 18, 2022 at Matsqui Village Park for a picnic in the park, celebrate with lunch (*compliments of [Freybe Fine Gourmet Foods](#)*), cake, and some games and laughter, as we reminisce 65 great years of Community Living! (*poster attached*). There are many picnic tables throughout the park but please feel free to bring your own chair or picnic blanket (*unless you are travelling by public transit or handidart*).

**For those scheduled to attend Community Inclusion (Day Program at Crescent Way site) that day , we will be moving our services to Matsqui Village Park on Thursday, August 18, 2022 so we can all share in the excitement together. Crescent Way location will be closed for the day, please contact Handidart to arrange your transportation of dropping off and picking up at Matsqui Village Park drop off between 8:30 and 9:00am in the morning and pick up from Matsqui Village Park no later than 2pm. For all persons that are transported to program by parents and/or care givers please get dropped off and picked up at the park. All of your staff will be waiting for you at the park!! Have fun! For anyone with dietary restriction that are not able to eat from [Freybe Fine Gourmet Foods](#)) or require special preparation please bring your own lunch.**
